EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on May 28, 2004, Michael B. Fein requested an extension of time for One (1) MONTH (S) and authorized the Director to charge Deposit Account No. 50-1275 the required fee of \$110.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

The claims of page 5 of the amendment filed on May 07, 2004 have been renumbered as 31, 32 and 33.

In newly renumbered claim 33, line 1, "16" has been changed to "32."

2. The following is an examiner's statement of reasons for allowance: the closest reference does not teach nor suggest the use of a composition as claimed for sizing papers. See applicants' remarks of paper filed on April 5, 2004.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
